HOW IT WORKS

Discover How H2O Brings a New Twist to Hydration and Advertising

Advertisers

Distributors

Consumers

Advertisers

1 Choosing Ad placement and Design

Choose your desired ad placement on our bottles and let your creativity flow. Opt for your own design or leverage our expert design services to captivate your audience.

2 Distribution & Engagement

Our bottles reach your target audience, turning each sip into an opportunity for engagement. Watch as consumers interact with your brand through QR code scans.

3 Measure your Impact with Analytics Sharing

Gain valuable insights with detailed analytics on consumer engagement. We provide you with data-driven feedback to track the success and reach of your campaign.

CHOOSE YOUR PERFECT ADVERTISING TIER

Tailored Solutions for Every Brand

Premium

Maximize Impact

The Premium ad isn't just about size; it's a statement. It offers the largest ad space and prime positioning for ultimate brand visibility

Standard

Optimal Reach

Ideal for strategic visibility, the Standard tier balances prominent advertising with budget-friendly options

Basic

Accessible Engagement

Perfect for startups or small businesses, our Basic tier offers an affordable entry into bottle advertising.

SUSTAINABILITY AT OUR CORE

Driven by our dedication to the planet, each H2O bottle is a step towards a more sustainable future, embodying our vision of eco-friendly innovation and responsible consumption

Our Environmental Mission

At H2O, our mission transcends beyond providing hydration. We are committed to reducing environmental impact through our sustainable practices. From using eco-friendly glass bottles to encouraging recycling and reuse, every aspect of our service is designed with the planet in mind.

Impact of Reusable Bottles

Embrace the change with us. Our reusable glass bottles help significantly cut down on plastic waste, conserving resources and reducing landfill burden. Each refill contributes to a cleaner, greener world.

Aligning with Global Goals

Join us in our journey towards a sustainable future. By aligning with global environmental goals, we aim to create a ripple effect of positive change, inspiring communities and businesses alike to make eco-conscious choices.
